The Rhode Island Society of Professional Land
Surveyors
PO Box 544
East Greenwich, RI 02818

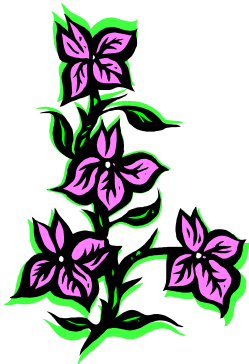

**Please let us know if you'll be attending so that we can be sure to
have plenty of food, beverage and games/gifts for everyone.**

Name: _____ # of People attending _____

It's important for us to celebrate all of you, and the success of The Rhode Island Society of Professional Land Surveyors! 40 Years in the making and to think that my dear father in law was one of the men to attend that first meeting in 1970, which by the way is the very year I was born! I've had more than 7 years to sort thru old records, pictures and files and it amazes me how many of you put in the much needed effort when things were tough to keep our Society going, two thumbs up to you! Funny when there wasn't internet to make these things a bit easier, fax machines were huge and well a Mrs, Deb would have surely helped though I must point out and thank those women who donated their time to assist when needed over the years.

So, please think about joining the RISPLS Board of Directors for a relaxing, fun day in the sun, no certificates to worry about & it's FREE!

RISPLS, PO Box 544, East Greenwich, RI, 02818 E mail to RISPLS@hotmail.com 294-1262

On a much sadder note, Alfred Hansen passed
away last Wednesday.
Our deepest condolences to his family and
friends. Donations can be made to The Gideons
International.
